Weekly Schedules

The schedules for the next two weeks are attached. Please review them and let me know if you will be out on vacation anytime soon.

Volunteer Break Area

A couple of notes regarding our volunteer break room:

We have had a few instances this week with the door to the volunteer break room being locked and/or sticking. If you are leaving the break room, please do not lock the door - our Facilities team will ensure the room is locked at the end of the day. If you would like to lock up your belongings, please use one of the provided lockers and bring your own lock. Our Facilities manager is working on correcting the door-sticking issue.

Additionally, please try to limit your use of our coffee and water cups. If you are here for a shift, please try to use only one of each cup per shift. We are trying to cut down on waste and appreciate your support!

Open Cockpit Day

Annual Event Returns Next Weekend with New Program

Open Cockpit Day, along with our new program, Youth Aviation Adventure (YAA), will be held next Saturday, March 2nd. We still have spots open for youth ages 11 - 17 to register for YAA. This program involves a variety of hands-on activities dealing with aviation concepts, including forces of flight, airport operations, and much more! All students will receive a certificate of completion, and Scouts who participate can earn an Aviation Merit Badge. If you know any young people who might enjoy this new program, please have them register on our website as soon as possible!

A New Program: Sacrifice for Freedom

A Note from our Executive Director, Elissa Lines

Aloha. I hope you are well and that you enjoyed the most recent NOTAM. We are always interested in your feedback. I wanted to share a new program we are involved in with our other Pearl Harbor partners. Called Sacrifice for Freedom, we will bring 12 teachers and 12 students together (from the mainland and neighbor islands) to explore the impact of war. The group, part of National History Day, has previously taken the educator teams to Normandy. This will be their first visit to Hawaii. What a powerful opportunity to share this American WWII battlefield. We are working to support this effort - covering the travel and lodging of our teams. We would appreciate your thoughts on possible sponsors! Once the teams arrive, I am sure you will enjoy sharing our museum and all of Pearl Harbor with them.

Thanks again for all your support,
Elissa
