## Weekly Schedules

The schedules for the next two weeks are attached. Please review them and let me know if you have any questions or if you will be unavailable for your shift.

## Help with Open Cockpits!

Until January 31st, we are offering a special opportunity for guests to don a flight suit and climb into one of our aircraft. We are looking for volunteers to help us run this activity every day from 1:00pm - 4:00pm. Please contact me or Bill Miller at [Bill.Miller@PearlHarborAviationMuseum.org](mailto:Bill.Miller@PearlHarborAviationMuseum.org) if you are interested and available to help!

## Recruiting New Volunteers!

We are always looking for new volunteers to join our team. If you know anyone who might be interested in working with us, please send them to [www.PearlHarborAviationMuseum.org/SupportUs/Volunteer](http://www.PearlHarborAviationMuseum.org/SupportUs/Volunteer) to fill out a volunteer application and I will be in touch with them!

## Simulator Operators Needed!

*Volunteers Needed on Sundays*

We are in need of some additional regularly scheduled simulator operators on Sundays. This is always a popular feature for our guests and we are looking for folks who will engage with visitors. No prior experience is necessary! If this opportunity interests you, let me know and we will get you scheduled for a training session.

## A New Name, Mission, and Logo

*A Note from our Executive Director, Elissa Lines*

Aloha. With the launch of the New Year, we are focused on the impact of the government shutdown and how we as part of the Pearl Harbor sites can work together to ensure that visitors are not disappointed. We are doing all we can to engage our HTA and tour operators to keep the Arizona open. In the midst of this challenge, we are also working to ensure that we improve and invest in the visitor experience – the orientation, tours, simulators, café, open cockpits – we hope that each of these efforts will increase the number of guests who choose to visit our museum. Please feel free to share your thoughts and opinions with me! Thanks for all your help!

Elissa
