## Weekly Schedules

The schedules for the next two weeks are attached. Please review them and let me know if you will be out on vacation anytime soon.

## Volunteer Appreciation Dinner

I am beginning to plan our annual Volunteer Appreciation Dinner and would like your input! I've created a short, online survey for you to provide some feedback and ideas. Please take a minute to complete it, here: <https://www.surveymonkey.com/r/PHAMVolDinner>

## Volunteer Break Room

Just a friendly reminder: please do not touch the thermostat in the volunteer break room. Our facilities crew will make sure it is set at the appropriate temperature. Please bring a sweater or jacket if needed. Mahalo!

## Open Cockpit Day - Volunteers Needed!

### *New Program to be Implemented at Open Cockpit Day*

We are looking for aviation professionals (current and retired) and other volunteers to help at Open Cockpit Day on Saturday, March 2nd. In addition to our usual open cockpits, we will also be implementing a new program called Youth Aviation Adventure. This will be open to 100 students, ages 11 - 17, and will consist of a series of 8 - 10 hands-on activities that teach young people about aviation. I have attached a set of volunteer job descriptions for the event. Please review this and let me know if you or someone you know might be available to help that day!

## Congratulations on a Successful Year!

### *A Note from our Executive Director, Elissa Lines*

Aloha. It's hard to believe, but my first year as Executive Director is now behind me. Looking at the results, we can all feel a sense of accomplishment. Despite the challenges of construction, the closure of the Arizona dock, and the weather, we were able to sustain (about 5% below 2018) our visitation and improve the visitor experience. Our Hangar 37 exhibits, the work on the control tower, the rearrangement of Hangar 79 aircraft displays, the move of our volunteer meeting place, and the addition of MathAlive - what a great year! Thanks for your help! We appreciate your support and your feedback.

Elissa
