## Weekly Schedules

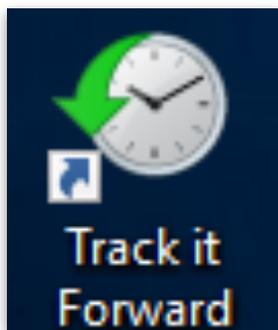

The schedules for the next two weeks are attached. Please review them and let me know if you will be out on vacation anytime soon.

## Base Access for Volunteer Dinner

As you know, our volunteer dinner will be held on Friday, April 12th. I have attached the event flyer here. If you are planning to bring a guest who does not have base access, we will need their paperwork in by no later than **this Wednesday, March 27th**. I have attached the necessary application - all highlighted fields must be completed. Feel free to reach out with any questions!

## Volunteer Appreciation Month

April is Volunteer Appreciation Month! Please check out the attached list of Oahu museums that will offer our volunteers free entry throughout next month!

## Track it Forward

### *New Time Tracking System is Ready!*

Our new time tracking system, Track it Forward, is officially ready for our use starting tomorrow, Saturday, March 23rd. The icon pictured here is on the desktop of all regularly used volunteer computers. Please follow the attached instructions for clocking in and out for your next shift. I believe this will be a great asset for us, but as with every new program, there will be growing pains. Please let me know

if you encounter any issues so that I can report them to the developers. If you feel you need more training, please let me know and I will set up a time to review it with you.

## Looking Forward to Celebrating You!

### *A Note from our Executive Director, Elissa Lines*

We are all looking forward to visiting with you at this year's Volunteer Appreciation Dinner on Friday, April 12th. So much of what we do and achieve happens because of your support. I hope you might take some time to visit the restoration team in Hangar 79. The progress they have made on the TBM is phenomenal. We hope to be able to create a very impactful exhibit showcasing the TBM and our Stearman. But none of this would be possible without you!

Thanks for your support and your help,  
Elissa
