Weekly Schedules

The schedules for the next two weeks are attached. Please review them and let me know if you will be out on vacation anytime soon.

Base Access for Volunteer Dinner

As you know, our volunteer dinner will be held on Friday, April 12th. If you are planning to bring a guest who does not have base access, we will need their paperwork in by no later than Wednesday, March 27th. I have attached the necessary application - all highlighted fields must be completed. Feel free to reach out with any questions!

Time Tracking

We are working on a new solution for our time tracking needs and hope to have a new system in place shortly. In the meantime, continue to email me hours. I will also place a paper sign-in sheet in the Volunteer Break Area if you prefer to record your hours there.

Volunteer Appreciation Month

Visit other Oahu institutions in the month of April!

As you may know, April is Volunteer Appreciation Month. Because our Museum is a partner in the Oahu Museum Volunteer Leaders group, our volunteers will have free access to a number of Museums around the island throughout the month of April.

I have attached the list of participating venues and the dates available and will include these in the newsletter over the next several weeks so that you can make plans to visit some of the other fantastic museums available to us on Oahu. Thanks for all that you do!

P-40 Warhawk Now Housed in Hangar 37

A Note from our Executive Director, Elissa Lines

Aloha. I hope you are as excited as I am to see the P -40 in its new home in Hangar 37. A condition of the loan agreement to keep this aircraft on display was that it be placed in an air conditioned environment to better protect it.

Kudos to the team who executed the move. Also, a huge announcement - Pearl Harbor Aviation Museum has received a bequest from the estate of a long time member and supporter. Though Dale is no longer with us, he took steps in his will to donate \$1 million to our museum - an incredible gift. We will miss the advice and support of Dale Dykema but feel fortunate to be able to carry forward his legacy.

Mahalo,
Elissa
