Weekly Schedules

The schedules for the next two weeks are attached. Please review them and let me know if you will be out on vacation anytime soon.

Star Award

It appears that there was some confusion about the star awards that were given out at the Volunteer Appreciation Dinner. To clarify, volunteers are awarded a star for every 1,000 hours worked. The volunteers who were recognized at the dinner reached a 1,000-hour increment in 2018. If you feel that you were overlooked, please let me know and I will double check our records.

CPR Training

The museum is offering CPR training to volunteers whose certification has expired or to those who would like to become certified. Please let me know if you are interested in the training and I will let you know when the training will be held.

Volunteer Appreciation Month

Last Week for Free Entry to Oahu Museums

April is Volunteer Appreciation Month! Please check out the attached list of Oahu museums that will offer our volunteers free entry throughout this month. There is a wide variety of organizations participating. This is a great opportunity to explore some of Oahu's historic sites and museums. Don't miss out!

A Wonderful Night

A Note from our Executive Director, Elissa Lines

Aloha. Thank you again for joining us for our annual recognition dinner. It is a very important evening for us as an organization - a chance to share our thanks. Though we often don't think of it in this light, our Board members are also volunteers. Several people shared how wonderful it was to have some social time with one another and meet volunteers who serve the organization in other departments. The sense of family is so important to the outcomes we hope to achieve. With summer coming, and the height of our visitor season, we are all very focused on doing all we can to deliver the best experience possible to all who visit. Just a final thought - our best wishes to Alex on her new challenge and our commitment to support Katie as she takes the reins.

Mahalo,
Elissa
