Weekly Schedules

The schedules for the next two weeks are attached. Please review them and let me know if you will be out on vacation anytime soon.

Welcome!

We've had a lot of new volunteers join the Pearl Harbor Aviation Museum ohana recently. Please join me in welcoming Bill, Spencer, Winston, Chris, Jordan, Miguel, and Kevin. Make sure to introduce yourself if you see them around, and help show them the ropes.

Don't Forget to Renew Access Cards!

If you are a regularly scheduled volunteer, please make sure to request an application for a new DBIDS drive-on access card about **one month** before your current card expires. You must fill out the form every year. Please email me if you need an application or if you have any questions. Mahalo.

Greeters Needed!

Volunteers Needed to Serve as Greeters

If you like talking to guests and telling our stories, but don't feel like leading a tour is the right fight for you, then you may be interested in becoming a greeter! We need volunteers to serve as greeters in both Hangar 37 & 79. Greeters welcome visitors to the hangar, point out some highlights worth seeing, and check wristbands. If this is something that interests you, please let me know!

Aloha from Oshkosh, Wisconsin

A Note from our Executive Director, Elissa Lines

Aloha from Oshkosh, Wisconsin where I am attending the annual EAA AirVenture Airshow. Several Museum volunteers, members, and board members are here taking it all in. The Thunderbirds did a great formation flight demonstration and a Col. Bud Anderson, American WWII Fighter Ace tribute with several P-51s got everyone to their feet. Bud has been a Museum guest at our December gala for the last four years. Appreciate your help and support.

Sending aloha from OSH,
Elissa
