Weekly Schedules

The schedules for the next two weeks are attached. Please review them and let me know if you will be out on vacation anytime soon.

Need a New Polo?

If you need a new black dri-fit polo, please come see me the next time you are at the Museum. If you only volunteer on the weekends, let me know what size you need, and I will leave your polo at the front desk for you to pick up. Please let me know if you have any questions.

Out of Office

You are receiving the newsletter today because I will be out of the office tomorrow, July 4th and Friday, July 5th. If you have anything urgent to address, you may reach me on my mobile phone or over email. I will return to the office on Monday, July 7th. Mahalo!

Wishing you and your family a happy and safe 4th of July!

Wishing You a Happy Independence Day

A Note from our Executive Director, Elissa Lines

Aloha. Wishing you a happy Independence Day, a wonderfully patriotic day for our country. As always, we have a great deal going on. Our new flight sims are a huge hit with our visitors and we have been getting great feedback from visitors on their overall museum experience. For the next few weeks, our focus will be on finishing the restoration of the Avenger, preparing our replica SBD for display and finalizing plans to equip our new library for archival display. I am pleased to share that we received a grant from the City/County GIA program (Grants in Aid) for \$125,000 to support our youth education vision. More to come as our plans finalize!

Thank you again for your support,
Elissa
