## Weekly Schedules

The schedules for the next two weeks are attached. Please review them and let me know if you will be out on vacation anytime soon.

## Newsletter Emails

I recently added several special event volunteers to our email list, so if this is your first time receiving this newsletter, welcome! This is the best way to keep up with upcoming volunteer opportunities at the Museum. If you would rather not receive our emails, please send me a message, and I will remove your email address.

## New Volunteers

We've had a lot of new volunteers join the Pearl Harbor Aviation Museum ohana recently. Please welcome Earl, Richard, Amy, Ashton, Daniel, Kiana, and Beren. Make sure to introduce yourself if you see them around, and help show them the ropes. Welcome!

## Volunteers Needed!

### *Stand Fire Watch on the USS Missouri - July 26th*

Do you believe in ghosts? This volunteer opportunity might provide the answer! Stand Fire Watch on the USS Missouri during one of our education programs, and tell us if you encounter the spirits of those brave souls who served aboard. We need at least 2 volunteers (3 is better!) for Friday, July 26. You'll stay overnight on the ship, and take a 2-3 hour shift. This is a fantastic way to experience something new on the Missouri while earning lots of volunteer hours. Email me today if you can help.

## Terrific Start to the Summer Season

### *A Note from our Executive Director, Elissa Lines*

Aloha. Hope you have all taken the time to experience the MaxFlight sims. We are so excited by the public response. We can't thank you enough for stepping forward to help us with the training and the development of the visitor experience. What a great way to start our summer. Over the next few weeks, we also hope to begin some work on the second floor of the Operations Building, repairing the windows and updating the work environment for our staff members who occupy the space. More to come!

Thank you for your support,  
Elissa
