Weekly Schedules

The schedules for the next two weeks are attached. Please review them and let me know if you will be out on vacation anytime soon.

Ed Jurkens

Ed Jurkens is currently at the Hale Nani Rehab Center. He recently underwent heart surgery and came through with flying colors, but unfortunately, he had some complications and was placed in hospice care. We do not know if he will be returning, but he would enjoy having visitors. If you would like to visit Ed, please call 537-3371 X 320 before visiting. The visiting hours are from 8:00AM-8:00PM.

All-Hands Meeting

We will be holding an all-hands meeting on the morning of Friday, September 20th at 8:00AM and volunteers are welcome to attend! Feel free to join us in the theater that morning.

Volunteers Still Needed!

Living History Day 2019 - September 21st

Living History Day is almost here, and we have a few volunteer positions still available. Please look at the attached volunteer job descriptions and let me know if you are interested in any of the available positions. For those who are not familiar with this event, Living History Day is an annual celebration of culture and learning hosted

by Smithsonian Magazine. Living History Day brings the history of Pearl Harbor, airplanes and aviation exploration to life for *free*! There will be open cockpits, a scavenger hunt, remote control flying lessons, a big brass band, swing dancing, and so much more! Let your friends and family know that they can download tickets at: <https://www.smithsonianmag.com/museumday/venues/museum/pacific-aviation-museum-pearl-harbor/>.

Share Your Connection to WWII

A Note from our Executive Director, Elissa Lines

Aloha. Hope you are well. We were excited to welcome so many guests to the museum for our showing of the movie *Eleven*. It is clear that our members, friends and visitors enjoyed the opportunity to meet with our veterans and to learn more about their service and about our local history. Working with General Richardson, as we shared, we will hopefully collect many local stories, documenting how our Hawaii communities more broadly supported the WWII effort - a home front story of great impact and significance. If you have stories that you would like to share, or artifacts that might add to our interpretive effort, please let us know!

Thank you-
Elissa
