## Weekly Schedules

The schedules for the next two weeks are attached. Please review them and let me know if you will be out on vacation anytime soon.

## Happy Holidays!

During the holiday season, our thoughts turn gratefully to those who have made our success possible. It is in this spirit that we say thank you and best wishes for the holidays. Thanks, as always, for all that you do!

## Holiday Closures

Please note that the Museum will be closed on Christmas Day and New Year's Day.

## Holiday Dress Code

As discussed in the director's meeting, the official PHAM policy for dressing up is that holiday dresswear (Christmas sweaters, Santa hat, etc.) is fine for the holiday season as long as it is appropriate. Those with a museum uniform are still expected to be in uniform. Reindeer antlers and elf ears are examples of things not to wear at work. Please see me if you have any questions on what is appropriate.

## Wishing You a Very Happy Holiday and New Year!

### *A Note from our Executive Director, Elissa Lines*

Aloha. I'd like to wish you a very happy holiday and a New Year filled with good health, peace and joy! Hard to believe that the holiday season is upon us - time has certainly flown by. We greatly appreciate all you do to advance our mission and vision, to protect this historic site and to inspire all who visit. As the final days of the year tick down, a time when many people consider their personal philanthropic goals, giving of their time, talent and financial support, we'd like to thank Rick and Teresa Price, volunteer co-chairpersons of our For Love of Country gala, for their inspired leadership and support. Flagship Fastlube, the Price family business in Hawaii, in conjunction with Oil Changers Inc. of California, announced a \$500,000 challenge gift at this year's gala, an investment in our vision for youth. What a way to bring 2019 to a close and jump start the impact we have as a museum for 2020.
