Weekly Schedules

The schedules for the next two weeks are attached. Please review and let me know if you will be out on vacation anytime soon.

Volunteer Appreciation Dinner

We have decided to postpone the Volunteer Appreciation Dinner. We are working on coming up with a new date, and will let you know when one has been decided. Let me know if you have any questions or concerns.

Volunteer Break Area

Please do not place any clothing or personal belongings on the AED case and oxygen case in the volunteer break area. If you need to store your personal belongings somewhere, there is designated wall cabinet in the Education room for volunteers. It is on the clock wall towards the back of the room.

CANCELLED: Open Cockpit Day 2020

Out of an abundance of caution, Pearl Harbor Aviation Museum has elected to cancel our annual Open Cockpit Day, originally scheduled for April 4, 2020. Thank you to all those who signed up to volunteer, we greatly appreciate your support!

How We Are Keeping You Safe

A Note from our Executive Director, Elissa Lines

Aloha. I am sure that the COVID-19 situation is top of mind for everyone. We are taking precautions within the museum to safeguard the health of our volunteers, employees, and visitors by positioning hand sanitizing units throughout the museum, encouraging everyone to wash their hands regularly, cleaning our museum restrooms, cafe and other public areas often and asking those who are not feeling well or who believe their health may have been compromised to remain home. Here is a link to our official statement: <https://www.pearlharboraviationmuseum.org/pearl-harbor-blog/how-we-are-keeping-you-safe/> Please feel free to share any concerns or suggestions. We will keep you posted of any changes as we strive to align with all cautionary and preventative measures suggested by our government and national/local health organizations. I'd also like to share the following link, a farewell tribute to our wonderful volunteer, Rick Rogers. He will definitely be missed by many. <https://newsroom.hawaiianairlines.com/blog/flyback-friday-in-memory-of-capt-rick-rogers>
