## **Pacific Aviation Museum Pearl Harbor’s *Biggest Little Airshow in Hawaii* Returns Saturday & Sunday, August 16 & 17, 2014**

Honolulu, HI—Pacific Aviation Museum Pearl Harbor’s popular Remote-Control *Biggest Little Airshow in Hawaii* is back and it’s bigger than ever, Saturday and Sunday, August 16 and 17, 10am to 4pm. **Guests will be able to drive on to Ford Island for this event, or take the free shuttle** from the Pearl Harbor Visitor Center. There will be music, food, drinks, retail and entertainment booths and exhibits, keiki rides and activities, and lots and lots of airplanes.

For two days, Ford Island will come alive with remote-control flying and static aircraft and full size aircraft on display, “candy bombings” over historic Ford Island Runway for the keiki, hands-on modeling stations, keiki rides and activities, and open access to Hangar 79 to see the Museum’s many aircraft exhibits and Restoration Shop. **In the Red Bull VIP tent, Red Bull will present broadcasts from the U.K. of the 2014 Red Bull Air Race World Championship, the sky’s fastest and most breathtaking sport.**

**On Day 1 of the Airshow, Saturday, August 16 at 5:30pm, participants can enjoy a free screening of Disney *Planes: Fire and Rescue* in Hangar 79. Guests are encouraged to bring lawn chairs and/or blankets to the movie screening.**

Talented local performers, Mainland pilots from the Academy of Model Aeronautics, and remote control flyers from Japan will perform remote-control aviation feats for two days, flying their massive, 1-to-5 scale planes in the skies above the Museum. Specialty acts to be performed include: Pattern, 3-D fixed wing and helicopter aerobatic flights, South Pacific battles, "Candy Bomber" drops, and Skycam drone helicopters. Remote control aircraft will be in the air and on static display including jets, helicopters, F-22s, warbirds, B-17s, P-38s, Corsairs, OV-10s and more.

**Clubs flying in the Biggest Little Airshow:** Birds Of Paradise Airshow Team, Paradise Flyers, Aloha State Radio Control Club, and Aloha State R/C Heli Club.

**Visitors can also enjoy free tours of Hangar 79**, which still bears the bullet holes of the December 7, 1941 attack. Inside, guests will see helicopters, fighter planes, and the Lt. Ted Shealy Restoration Shop--the 1941 machine shop that is busy restoring the Museum's aircraft. They'll also get up close and personal with an F-14 Tomcat, F-15 Eagle, F-86s, P-40, MiG-15, F-111, and the Museum's "MiG Alley" and "Flying Tigers" Exhibits.
