“DISCOVER YOUR FUTURE IN AVIATION” 4th Year at Pacific Aviation Museum Pearl Harbor

Honolulu, HI—Young people interested in aviation as a career or hobby, schools, Scouts, and families will want to attend *Discover Your Future in Aviation* at Pacific Aviation Museum Pearl Harbor Saturday, March 23 from 10:00 am to 4:00 pm.

This is the fourth year for the special aviation day, which will feature hands-on workshops, a career fair, flight lab, and interactive science exhibits. Participants can enter to win aviation prizes and take photos with aviation’s costumed characters such as Amelia Earhart, Rosie the Riveter, a Zero pilot, and friends. Girl and Boy Scouts can fulfill objectives for badge programs, also.

According to Executive Director Ken DeHoff, "It's a great opportunity to talk one-on-one with aviation professionals and learn more about careers in aviation and the related sciences."

Discover Your Future in Aviation is free with regular Museum admission and free to Museum members. To attend, purchase General Admission tickets online at PacificAviationMuseum.org

For more information, call Education Director Dr. Shauna Tonkin at 808-441-1005 or email Education@PacificAviationMuseum.org
