

# Courage in Perseverance: Tammie Jo Shults

*"Being a hero  
doesn't require a  
title or  
equipment. It  
does require a  
track record of  
selflessness and  
hope."*

- Nerves of Steel

Captain Tammie Jo Shults is a commercial pilot for Southwest Airlines and former fighter pilot for the U.S. Navy. When Tammie Jo successfully landed Flight 1380 on April 17, 2018 she and her crew were thrust into the national spotlight, which highlighted her talents as a highly skilled pilot, but revealed the character of a woman who never took 'no' for an answer. Guided by the values of faith, conviction, and patience, Captain Shults personally attributes her success to a lifetime of developing and practicing good habits, and relying on them in the face of distressing circumstances.
